PROFESSIONAL EXPERIENCE

Emotiontal Assessment and Therapy Centre | Kempton Park 2024 – Present
Marketing, Web Design & IT Support

- Create and maintain websites and digital materials for Emotiontal and Therapy Centre and its subsidiaries, while supporting digital marketing and day-to-day IT requirements. Translate business needs into practical web pages, forms, branded content and user-focused digital updates.
- Current Website: Designed and developed the live Shalom 360 Holdings website and continue to manage updates and improvements.
- Digital & IT Support: Produce branded digital content, troubleshoot basic technical issues and support online platforms across the group.

Earlier Culinary Experience | Midrand & Olifantsfontein 2022 – 2023
Student Commis / Pastry Chef

- Student Commis / Pastry Chef experience at The Breadbox Bakery & Studio, Kream, and Memories Coffee Lounge & Restaurant. Developed strong teamwork, time management, attention to detail, organisation and performance-under-pressure skills.
